

Linwood School Greeting Cards

We have an exciting new project here at Linwood! We have so many talented students and we want everyone to see their beautiful artwork, therefore, we have a new project underway - **Greeting Cards!** Linwood's students will create artwork throughout the school year and we will highlight various students' artwork by placing them on greeting cards. All proceeds from the greeting cards will go back to the students to help fund field trips, outings, special class events and other exciting things for the students here at Linwood.

You can check out our current card designs on the following page, followed by the order form. We will be sending out new order forms monthly. You can return the order form to:
